

OUR BEST MOMENTS

CEIP VILLALPANDO

*"Tell me and I forget, teach me and I remember,
involve me and I learn"*

In

CEIP

Villalpando

We

show
solidarity

with
La Palma.

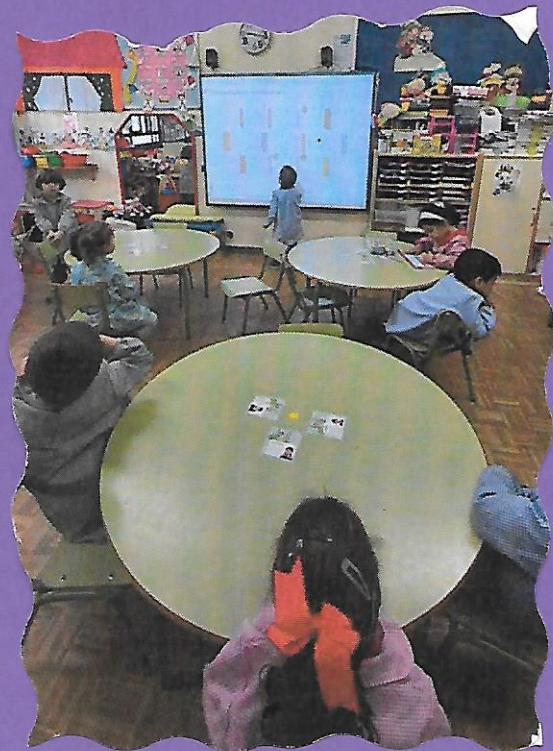

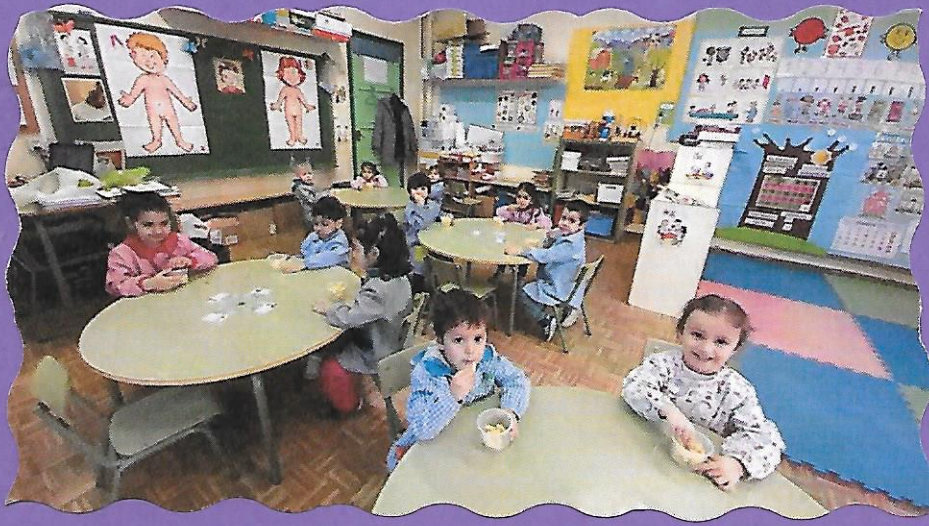

We

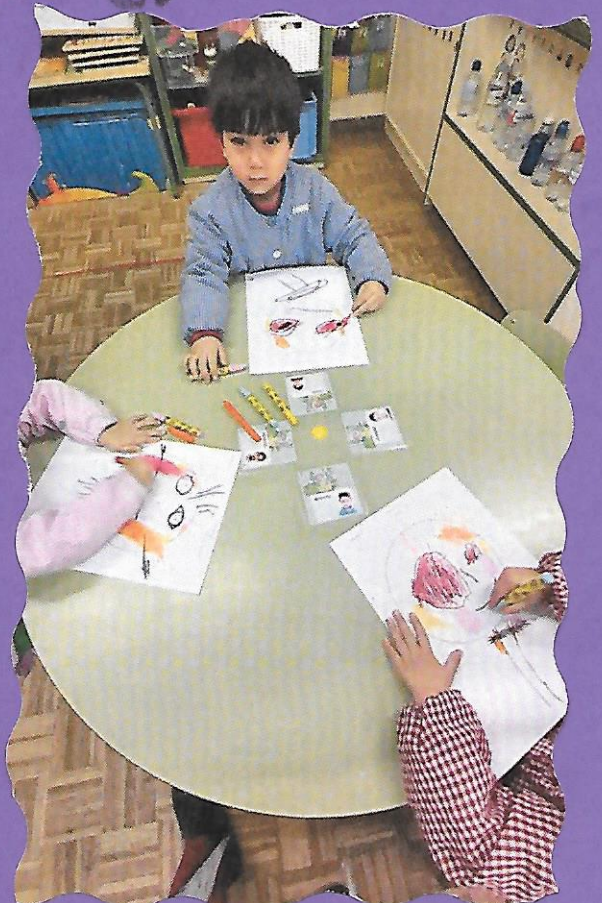

take
care
of

birds

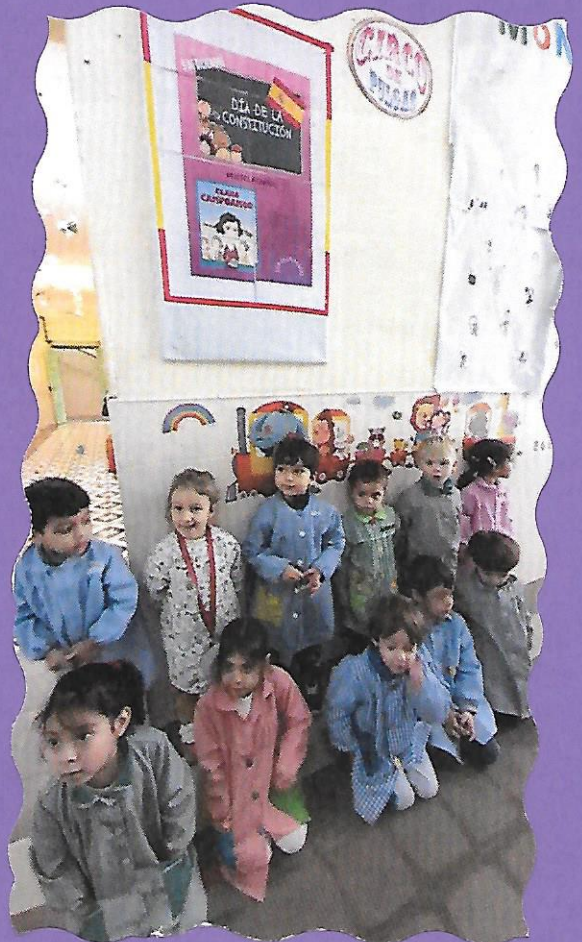

We
learn healthy
habits
literacy
maths
and art.

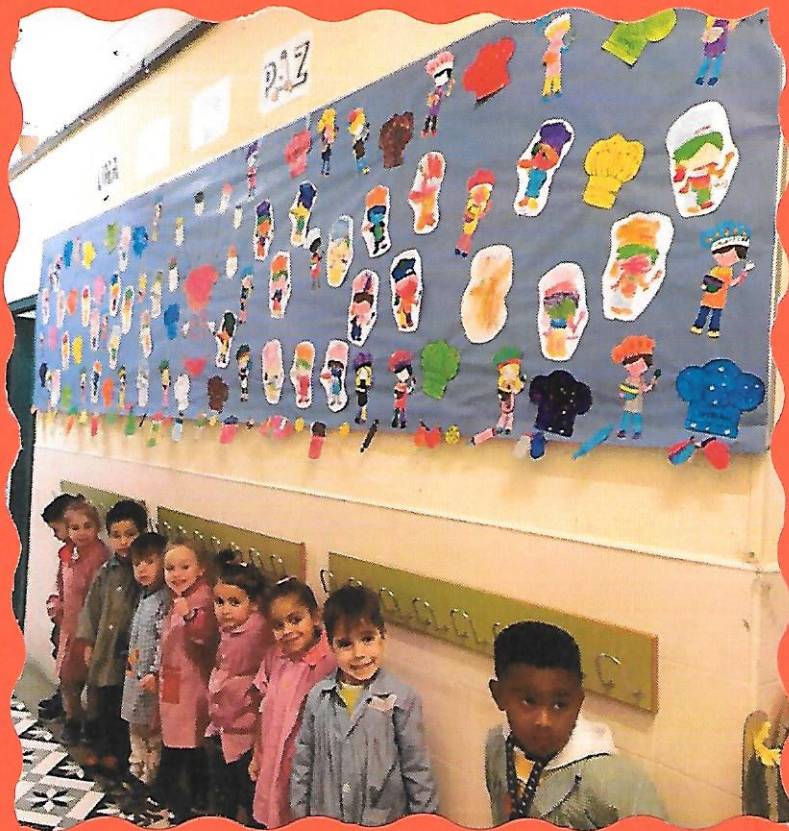

We
celebrate

Spanish
Constitution
Day.

We
also
celebrate

PEACE DAY!

We

learn
about

We
learn
about
Mexico.

We
decorate

our
lasses.

We
create
a pinata

We

eat

tacos

Yummy!

We
celebrate

CARNIVAL!

"MAGIC WINTER DRAWING"

5 years groups

ISA

We had lots of fun
making this amazing
winter activity.

We have used
a white cardboard
and a white soft
dragon to draw
our invisible
drawing!

ISB

Finally, we have
used a brush with
blue watercolour
and suddenly...
the magic happened!

ISB

THEATRE - Bienvenido al zoo

CARNIVAL - Fiesta de máscaras

MARCH 8TH - Día de la mujer

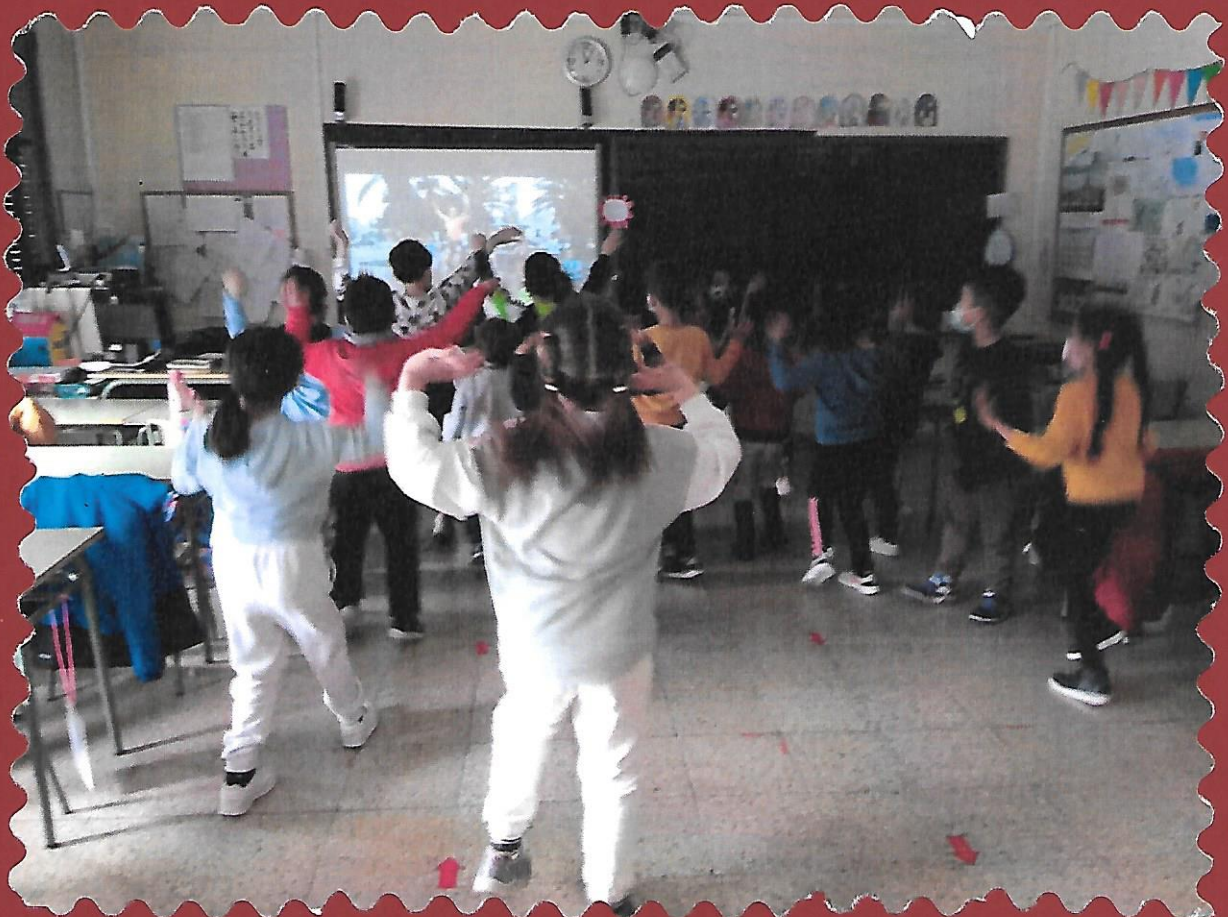

MEANS OF TRANSPORT - Transporte acuático

ST. PATRYCK'S DAY - Tréboles Día de San Patricio

MAGIC SHOW - Espectáculo de magia

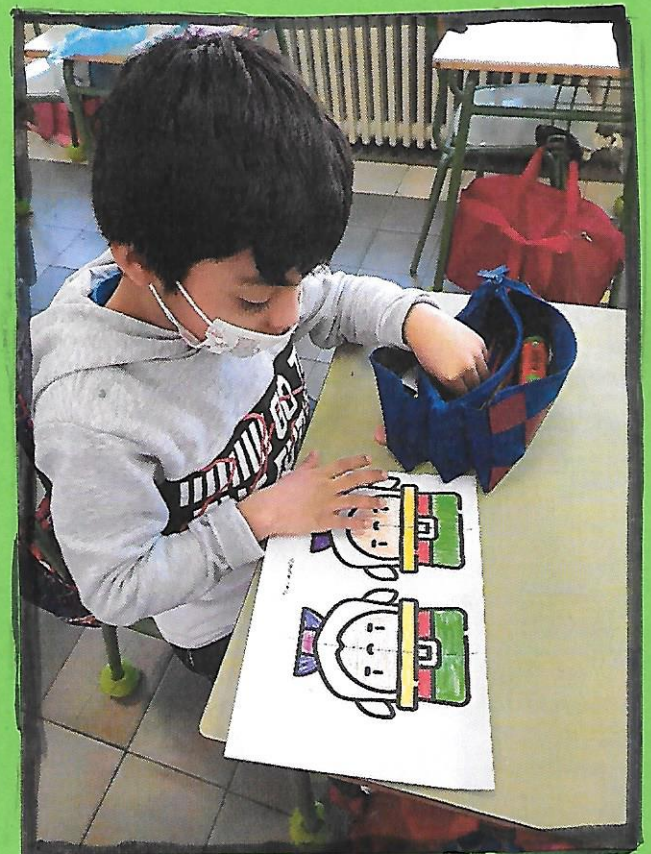

MOVE YOUR BODY - Yoga, baile y juegos

In our school "VILLA PANDO" "2º grade"

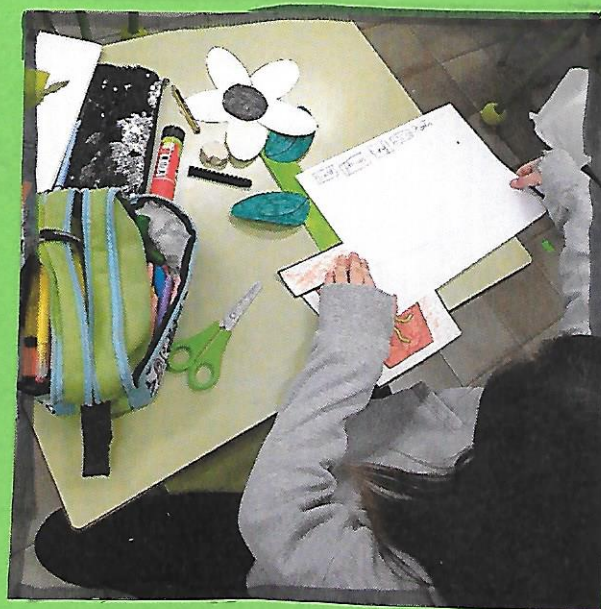

!Hello! We celebrate different special days.
- This is a perfect carnival and Waman's Day.
- We do crafts in St. Patrick's Day.

We use tablets in our school
 This is a beautiful paper
 flower we did in science
 class

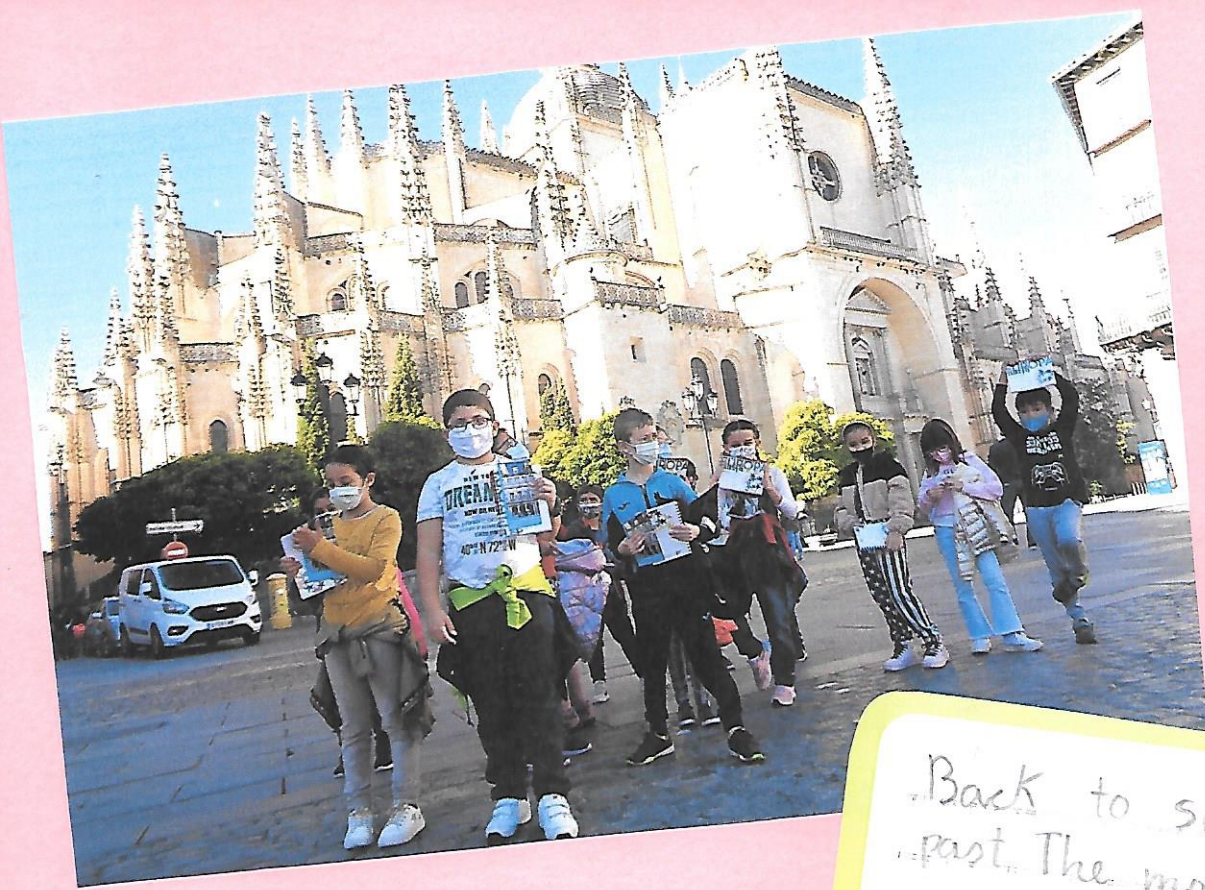

We go to the theatre
 It's funny and
 fantastic

BYE, BYE!

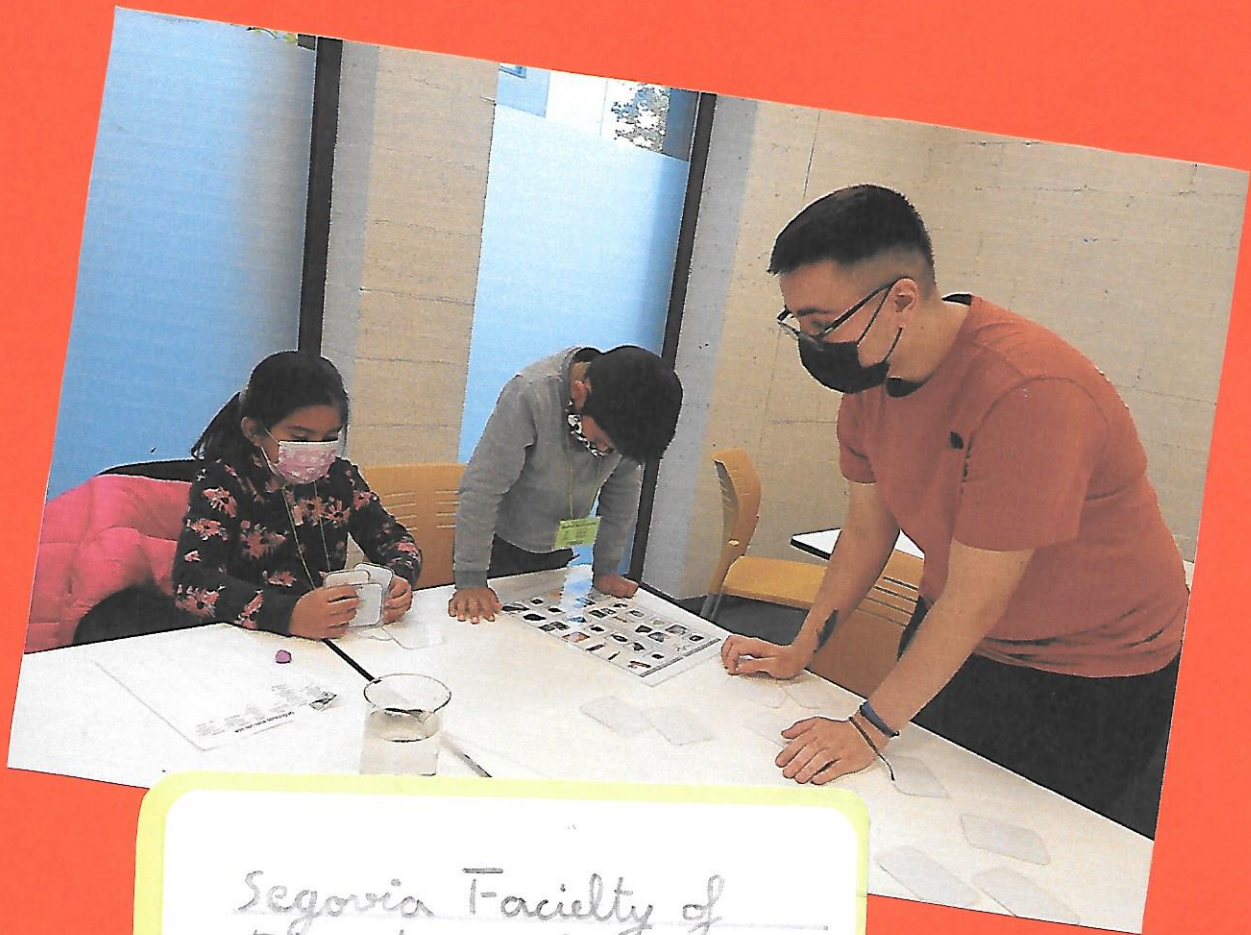

We visit Segovia Town Hall. The Council for Citizen Participation shows us the building. It looks like a palace!

Back to school, we get
past the main monuments
of our town: The
cathedral and the Roman
aqueduct. We look like
Tourists!

Segovia Faculty of
Education celebrates
the "Science Week"
Teachers and students
invite us to participate
in different activities.
We are very excited to
go to university.

We participate in four workshops:

- Minerals.
- Microscope.
- Wind turbine.
- Gears.

We visit the exhibition
habitus/habiteres by
teodisio Magnoni, an
Italian scultor. We
observe the abstract
sculptures of this artist
from different points of
view.

We make our own
abstract sculptures
with coloured cards.
they are all great and
interesting!

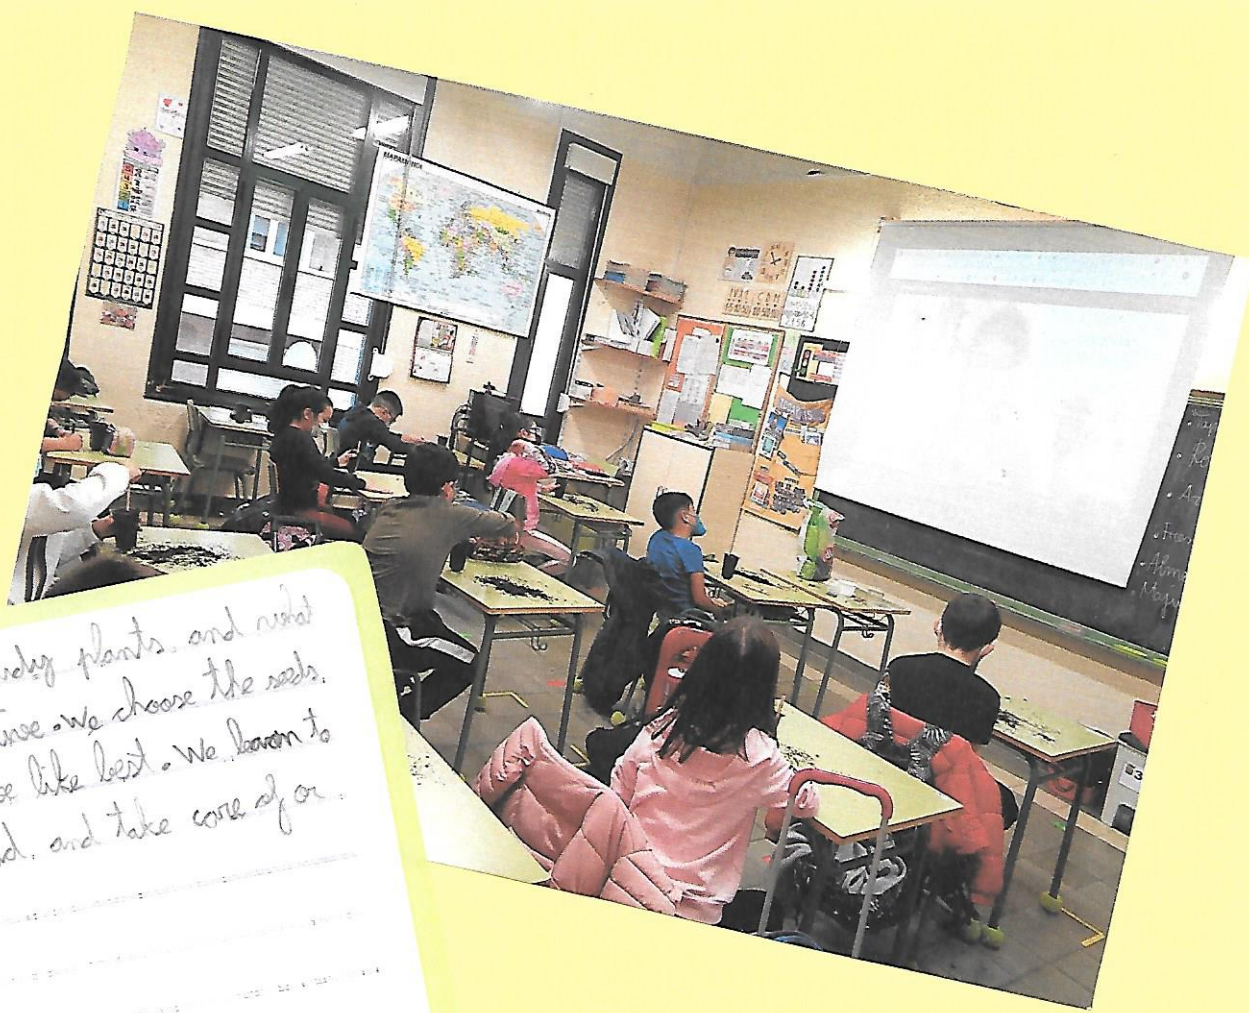

**fundación
caja segovia**

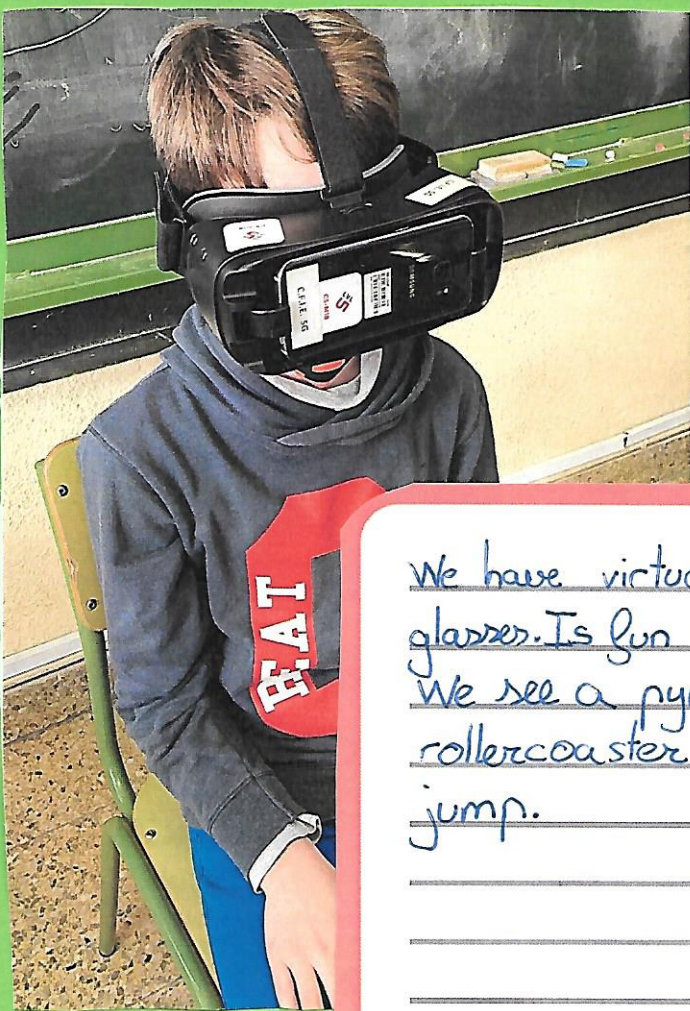

We go to the theatre to see the
English play "Welcome to the zoo". We
see a giraffe, a penguin, a panda and a
monkey. We have fun.

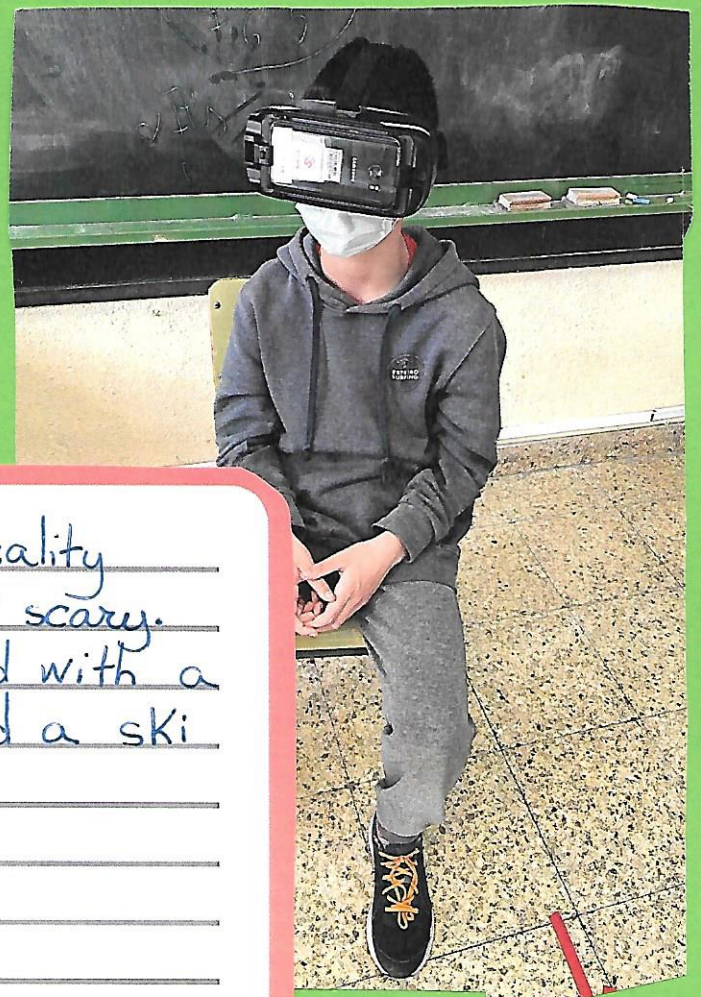

In Science we study plants and what they need to live. We choose the seeds of the plant we like best. We learn to make a seedbed, and take care of our plant.

We have virtual reality glasses. It's fun but scary. We see a pyramid with a rollercoaster and a ski jump.

We are in a Halloween Escape room. You have to find clues to get to next level. You answer questions and puzzles. It was fun.

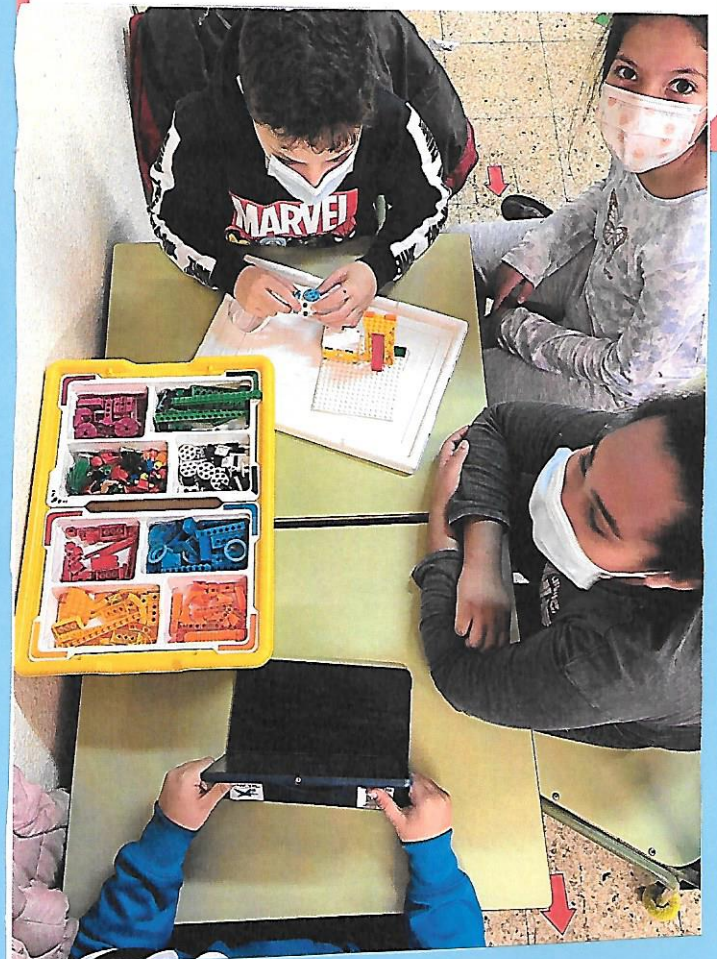

We are playing memory
with the robot.

We code the path with
the arrows of the robot.

We build robots with
Lego and a tablet.
The tablet give us information
for the construction.
We code the robot to
move.
It's funny and easy

In the Science lessons, we investigate about different ecosystems. We make food chains mobiles and present them to the class

5th GRADE PRIMARY "A"

We have been in a traffic park learning some traffic rules, driving little cars and riding bikes.

One morning, we went to the theatre to enjoy the play "The four Musketeers"

In our Art class, we have created our own folders with recycling cardboard and different decorations.

To work ecosystems in Science, we have made a diorama in groups representing the different ecosystems. We learnt a lot!

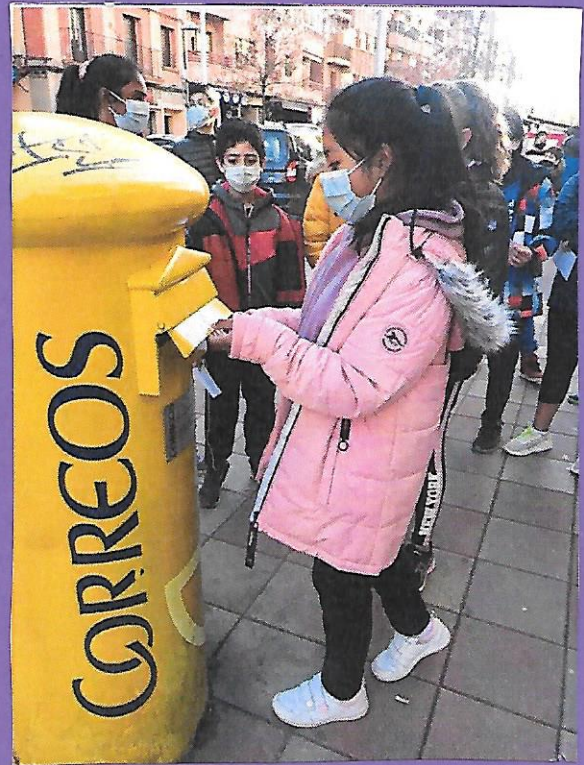

Hello!

We are the class of 5^oB

We are going to show
you some things we
do at school.

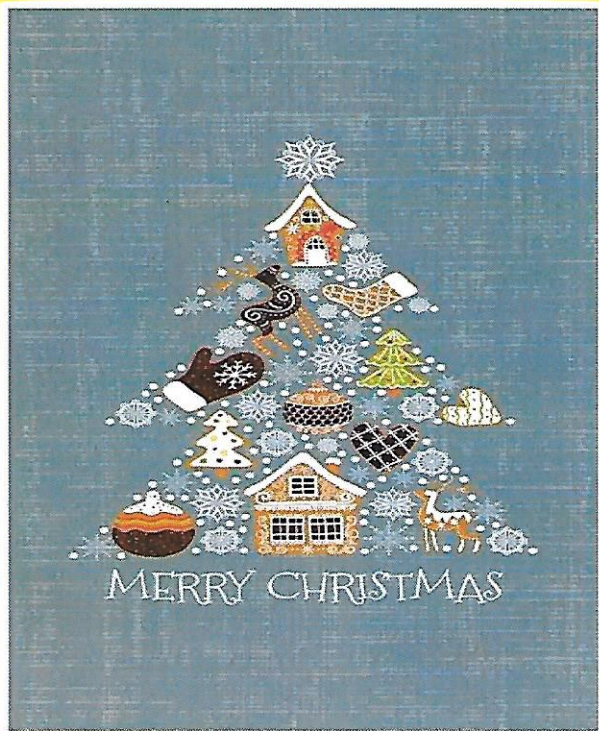

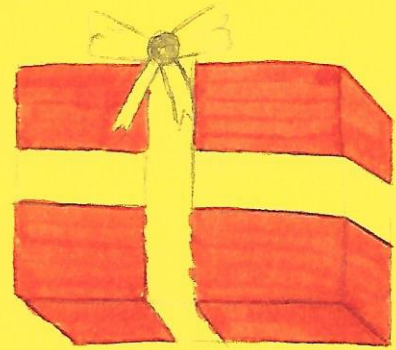

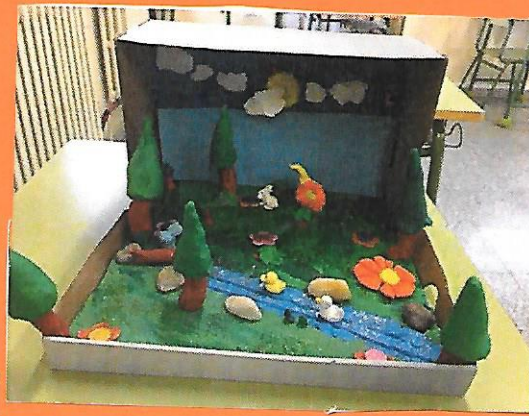

On Christmas we send
cards to our family
relatives.

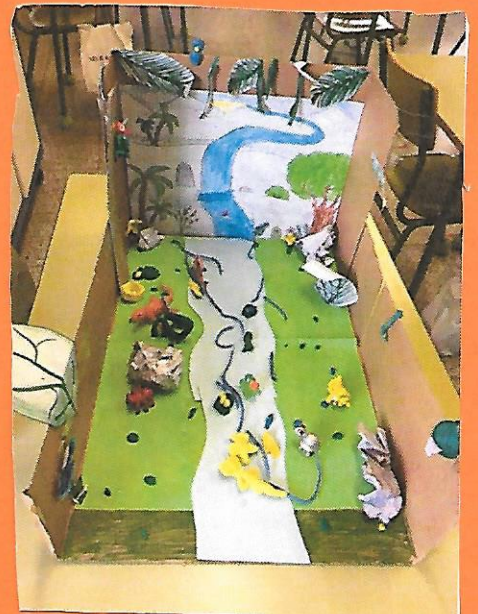

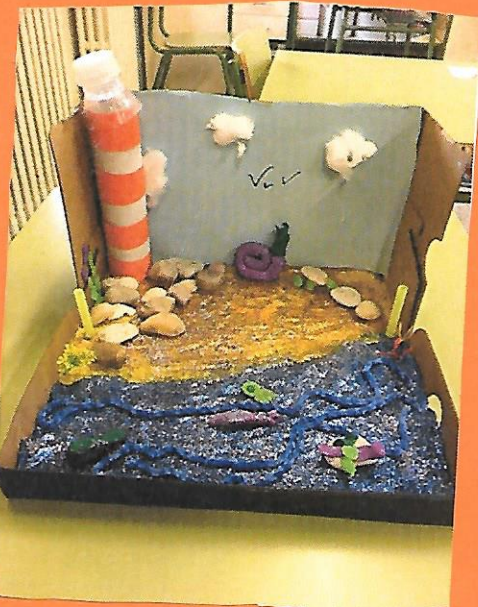

Christmas is very beautiful
because it has a lot of
colours.
In our school, we do a lot
of traditions.
Its funny!!!

We create ecosystems projects in Science:
The Coast, the arctic,
the jungle, the prairie,
and the forest.

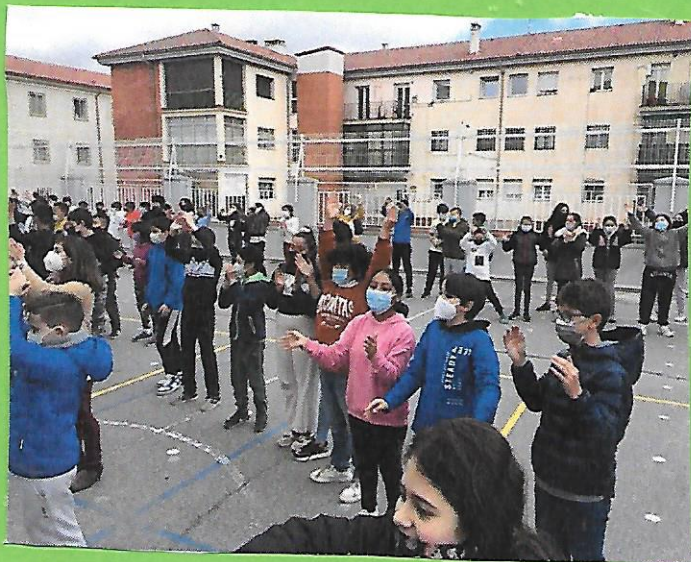

We work with tablets
in the classroom...
(sometimes we play...)

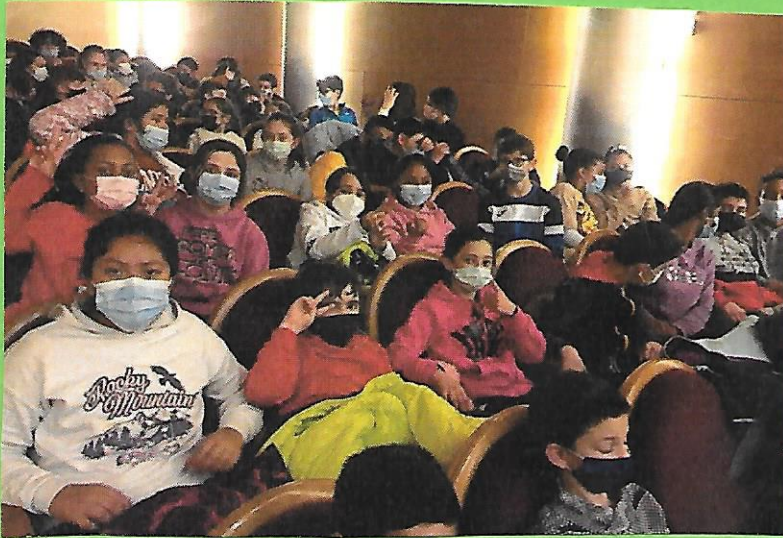

but sometimes we use
paper too.

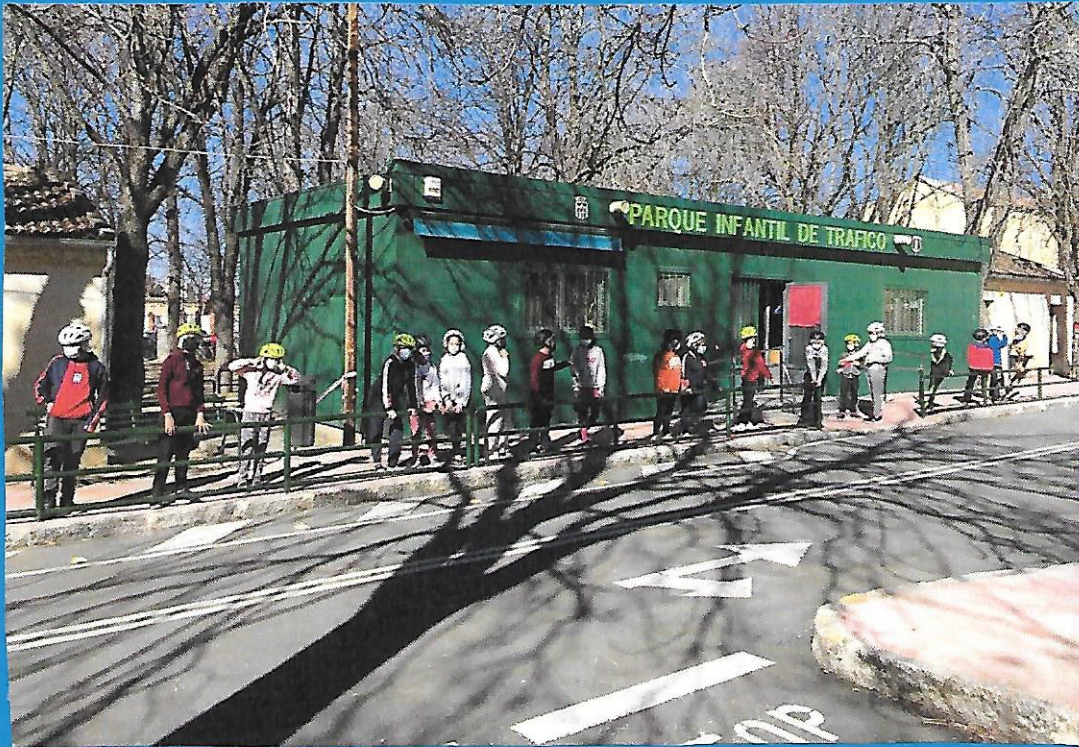

We celebrate special
days like Carnival!
Women's Day... we sing
and dance!

We went to a theatre
about Musketeers.
It was fun!

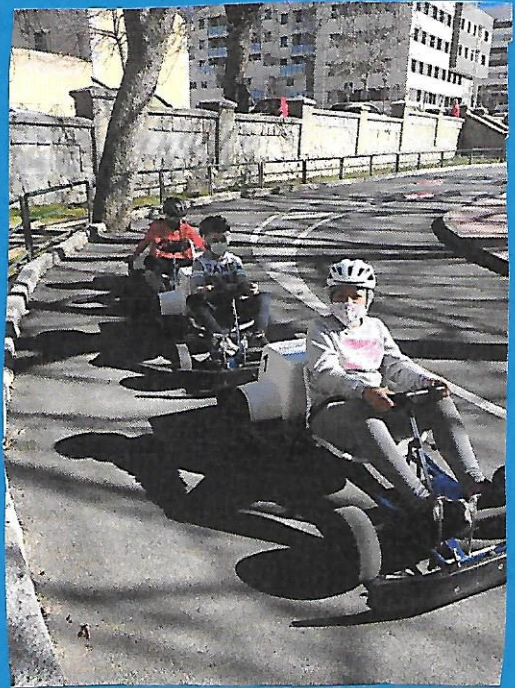

Our favourite excursion was the
traffic park:

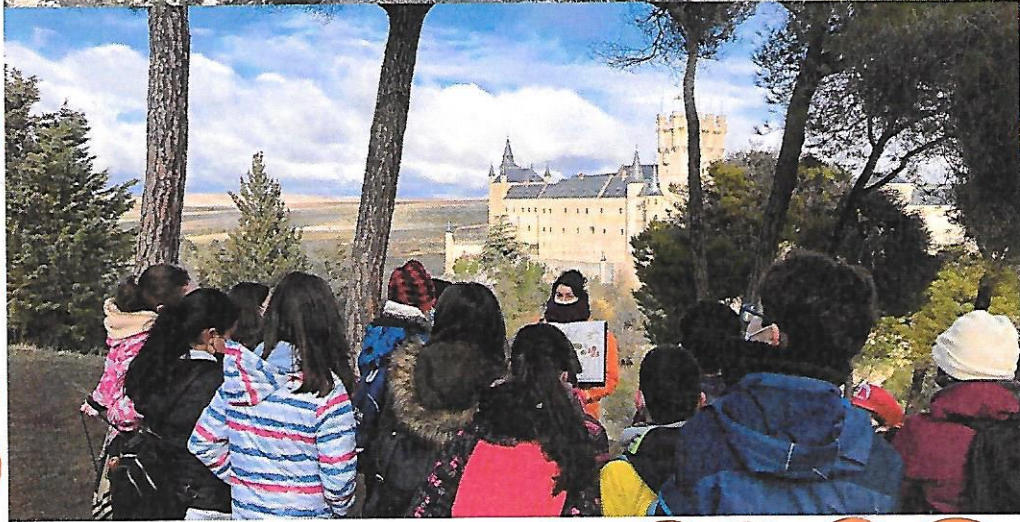

We rode bikes...

... AND DROVE KARTS!!

6th Grade Primary "A"

We went to a park in our city to learn about the past in Segovia, visiting the old Jewish cemetery. We also saw the different kind of trees growing in that area.

Our city is so beautiful
and it has a great turistic
value whit monumets such as
the Cathedral of Segovia
(photo at the top) and the
famous "Alcázar of Segovia"
(photo on the
bottom).

In this photo, GAB were practising with Olympic athletes. We did and learnt a lot of sports, hockey, volleyball, fencing.

My class 60B went
to the theatre in a
concert hall near
to the aqueduct of
Segovia.
The play was about
medieval cities.

In Carnival of this year we had a great time and did make. The teachers dressed up and we had to know who was each one.

In our school, for Carnival
we did mascks to decorate
the school.

We had a great time!!!

In the traffic park

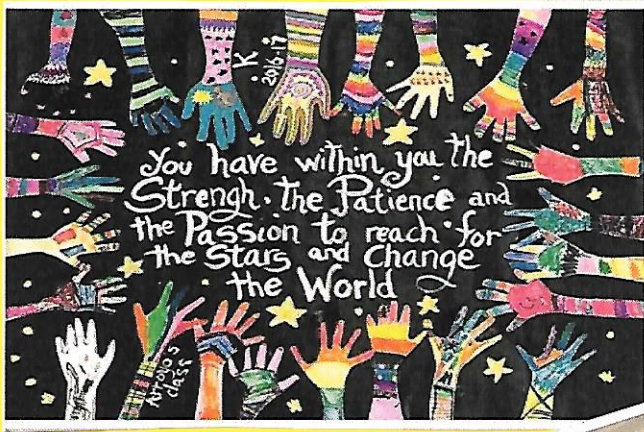

We had a great time in the park of traffic with the bikes and the karting! The policemen taught us about the rules of driving.

We're looking equality!
This day was very
Funny!!

This photos represent the day of the peace in the world and the Woman's day. This two days is very important because they teach respect to the people And is a great time. We sing a lot of song in the playground. I like sou much this days.♡
